Amendment dated June 8, 2006
Reply to Office Action of May 19, 2006

Amendments to the Claims

The following claim listing reflects the status of the claims pending in this application.

1. **(Previously presented)** An arrangement for mounting a decorative ornament comprising:

a frame having an aperture, the aperture having an internal surface; and

at least one mounting post projecting from the frame, the at least one mounting post having a first end mounted to the frame and a second free end, the second free end adapted for insertion through a perforation in the ornament;

wherein the ornament is retained by the mounting post and the internal surface of the aperture when the ornament is mounted to the mounting post.

2. **(Previously presented)** The arrangement as recited in claim 1, wherein the first end is integrally mounted to the frame.

3. **(Original)** The arrangement as recited in claim 1, wherein the internal surface of the aperture comprises a continuous internal surface.

4. **(Original)** The arrangement as recited in claim 1, wherein the mounting post comprises a flexible mounting post.

5. **(Original)** The arrangement as recited in claim 4, wherein the flexible mounting post is adapted for one of elastic and plastic deflection.

6. **(Previously presented)** The arrangement as recited in claim 4, wherein the flexible mounting post is adapted for plastic deflection from a first position to a second position for mounting the ornament.
